Christmas Past (2004)

We are hosting the Northwest Group of the Magic Lantern Society this year as our guest speaker for the "Show Experience Weekend".

Magic Lantern shows were incredibly popular 100 years ago. The Magic-Lantern Group NW is a group of individuals from The Magic Lantern

Society of the United States and Canada. The society was officially founded January 1, 1979. It began as a dream by a group of lantern enthusiasts in the State of Washington. The group provides programs, displays and activities about the magic lantern.

The Friday night presentation (4/11 at 7 pm at Kent Commons) will be a Stereopticon show with illustrated views. Come see and hear about the magic lantern society and some of the history of lantern slide use here in the Northwest.

Learn about:

- Moving images before the invention of the movies
- The "Flanders 20"
- The story of a "Pathfinding Expedition"
- Photographers and photographic mishaps
- Individuals that helped the Good Road Movement
- The secret that was part of the "Pathfinding Expedition"

The presentation is FREE and refreshments will be served.
